TRAINING FOR EXISTING BUSINESS AND INDUSTRY

CUSTOMIZED TRAINING

Training for Existing Business and Industry (TEBI) offers **group rates** on the training programs listed in the current schedule. In addition, ***CUSTOMIZED TRAINING may be designed*** to meet specific company or organizational needs. Customized training is available upon request when and where needed and is tailored to meet the particular company needs. TEBI works closely with local business leaders to provide professional instruction that upgrades the skills needed in today's workplace.

Current customized training programs include the following:

- ▶ Computer Applications
- ▶ Industrial Maintenance Technology
- ▶ Forklift Safety
- ▶ Leadership & Supervision
- ▶ Workplace Spanish
- ▶ Welding
- ▶ Customer Service

CONTINUING EDUCATION

SKILLS TRAINING & PROFESSIONAL DEVELOPMENT

Skills Training classes are all job specific and job preparatory with most courses lasting three months or less. Certificates are received at the completion of courses that include training in computers, Microsoft applications, truck driving, and more. Many of the classes do not require a high school diploma or a GED to participate.

Professional Development programs offer Continuing Education units (CEU) upon successful completion of a course. For every ten (10) hours of participation, a student receives one CEU. The units are recorded on the college transcript, and a certificate is provided at the conclusion of each course where CEUs are earned. Programs include Real Estate and Real Estate Appraisal, Forestry, Nursing, and Turf Grass & Pest Control courses to maintain licensure.

READY TO WORK

Alabama's Ready to Work Training Program is offered at thirty-nine locations and provides a career pathway for adults with limited education and employment experience. Ready to Work's workplace environment provides trainees the entry level skills required for employment with most businesses and industries in Alabama. The training curriculum is set to standards cited by business and industry employers throughout the state and the skills cited in the U. S. Department of Labor's Secretary's Commission on Achieving Necessary Skills (SCANS) Reports.

Ready to Work is operated through Alabama's Adult Education Program in cooperation with the AIDT. Clients admitted to the program must be at least sixteen years of age, possess a high school diploma or GED equivalency, and score the appropriate levels on the Test for Adult Basic Education (TABE). Essential requirements for successful completion include the following:

- 95 percent attendance and punctuality rate;
- Instructor certification of satisfactory achievement of work ethic, organizational skills, and appropriate attitude and motivation;
- Instructor certification of satisfactory achievement of problem solving skills, workplace behaviors, computer skills, and job acquisition skills;
- Instructor certification of satisfactory achievement of manufacturing skills;
- Attainment of a minimum WorkKeys Assessment Level 3 on Applied Mathematics, Reading for Information, and Locating Information;
- Performance at the tenth grade level or above upon completion as verified by TABE; and,
- A score of at least 70 percent on the written Alabama Certified Worker Examination. Successful completion results in the award of an Alabama Certified Worker Certificate and a state career readiness credential.

All cars parked without a permit are subject to being ticketed. Shelton disability parking validation is required. Please take handicap verification and parking form to the Campus Security to receive a tag for handicap parking.

DATES OF SCHOOL CLOSING:

Shelton State Community College will not be open for classes on January 19, February 19-20, and March 16-20. Classes will be held January 7 through May 8 unless otherwise stated.

CONTINUING EDUCATION UNITS: Continuing Education Units (CEUs) are a nationally recognized method for denoting non-credit Continuing Education participation and are available for many of the courses. One CEU is granted for each ten contact hours of class participation. To qualify for the CEU, an individual must attend at least ninety percent of the course and display an understanding of the course content.
